

## Pompano Beach Airpark (PMP) Runway 10/28 Rehabilitation Project

Pompano Beach Airpark will soon commence significant construction work on Runway 10/28. As a result, FXE may experience increased air traffic during this period.

**Runway 10/28 will be closed for the duration of the project.** Runways 06/24 and 15/33 and portions of various taxiways will need to be closed for short periods when work is being performed at the intersection of Runway 10/28. **The construction phasing will not require all three runways to be closed at the same time.** Below is the schedule of planned closures (all 24 hours/day).

RWY 10/28	Tuesday, May 5, 2026	Wednesday, November 25, 2026
